3. PURPOSE OF BYLAW

3.1 The bylaw, shall, notwithstanding any other provision herein, be interpreted in accordance with this section.

3.2 This bylaw has been enacted for the purpose of regulating construction within the District of Sechelt in the general public interest. The activities undertaken by or on behalf of the District of Sechelt pursuant to this bylaw are for the sole purpose of providing a limited and interim spot checking function for reason of health, safety and the protection of persons and

property. It is not contemplated nor intended, nor does the purpose of this bylaw extend:

- 3.2.1 to the protection of *owner or agents*, owner or agent/builders or *constructors* from economic loss;
- 3.2.2 to the assumption by the District of Sechelt or any *building official* of any responsibility for ensuring the compliance by any *owner or agent*, his or her representatives or any employees, *constructors* or *designers* retained by him or her, with the *Building Code*, the requirements of this bylaw or other applicable enactments codes or standards;
- 3.2.3 to providing any person a warranty of design or workmanship with respect to any *building* or *structure* for which a building permit or occupancy permit is issued under this bylaw;
- 3.2.4 to providing a warranty or assurance that construction undertaken pursuant to building permits issued by the District of Sechelt is free from latent, or any defects.

4. PERMIT CONDITIONS

- 4.1 A permit is required whenever work regulated under this bylaw is to be undertaken.
- 4.2 Neither the issuance of a permit under this bylaw nor the acceptance or review of plans, drawings or supporting documents, nor any inspections made by or on behalf of the District of Sechelt shall in any way relieve the *owner or agent* or his or her representatives from full and sole responsibility to perform the work in strict accordance with this bylaw, the *Building Code* and or other applicable enactments, codes or standards.
- 4.3 It shall be the full and sole responsibility of the *owner or agent* (and where the *owner or agent* is acting through a representative, the representative) to carry out the work in respect of which the permit was issued in compliance with the *Building Code* and this bylaw or other applicable enactments respecting safety.
- 4.4 Neither the issuance of a permit under this bylaw nor the acceptance or review of plans, drawings or specifications or supporting documents, nor any inspections made by or on behalf of the District of Sechelt constitute in any way a representation, warranty, assurance or statement that the *Building Code*, this bylaw or other applicable enactments respecting safety have been complied with.

- 4.5 No person shall rely upon any permit as establishing compliance with this bylaw or assume or conclude that this bylaw has been administered or enforced according to its terms. The person to whom the building permit is issued and his or her representatives are responsible for making such determination.

5. SCOPE AND EXEMPTIONS

- 5.1 This bylaw applies to the design, construction and *occupancy* of new *buildings* and *structures*, and the alteration, reconstruction, demolition, removal, relocation and *occupancy* of existing *buildings* and *structures*.
- 5.2 This bylaw does not apply to:
- 5.2.1 *buildings* or *structures* exempt by Part 1 of the *Building Code* except as expressly provided herein,
 - 5.2.2 retaining *structures* less than 1.2 meters in height
 - 5.2.3 fences
 - 5.2.4 non-structural repairs or alterations to a *building* or *structure* or the repair or replacements of plumbing works
 - 5.2.5 bridges, except pedestrian and vehicle bridges attached to buildings
 - 5.2.6 docks or wharves
 - 5.2.7 floating *structures* except where they are used for commercial or industrial occupancy use, on the condition that all floating *structures* must conform to the *District of Sechelt Zoning Bylaw* with respect to height and siting
 - 5.2.8 deck additions, except a deck where the difference in elevation between the deck surface and the ground surface at any point is 0.6 metres or more and on the condition that the deck is sited in accordance with the *Zoning Bylaw*, other bylaws or enactments
 - 5.2.9 Greenhouses or other similar *structures* covered by a polyethylene film and intended to be used only for storage purposes or the production of agricultural products; on the condition that the *structure* is sited, and the uses are in accordance with the *Zoning Bylaw*, other bylaws or enactments.

6. PROHIBITIONS

- 6.1 No person shall commence or continue any construction, alteration, reconstruction, demolition, removal, relocation or change the *occupancy* of any *building* or *structure*, including excavation or other work related to construction unless a *building official* has issued a valid and subsisting permit for the work, or change of class of occupancy.
- 6.2 No person shall occupy or use any *building* or *structure* unless a valid and subsisting occupancy permit has been issued by a *building official* for the *building* or *structure*, or contrary to the terms of any permit issued or any notice given by a *building official*.
- 6.3 No person shall knowingly submit false or misleading information to a *building official* in relation to any permit application or construction undertaken pursuant to this bylaw.
- 6.4 No person shall, unless authorized in writing by a *building official*, reverse, alter, deface, cover, remove or in any way tamper with any notice, permit or certificate posted upon or affixed to a *building* or *structure* pursuant to this bylaw.
- 6.5 No person shall do any work that is substantially at variance with the accepted design or plans of a *building*, *structure* or other works for which a permit has been issued, unless that variance has been accepted in writing by a *building official*.
- 6.6 No person shall obstruct the entry of a *building official* or other authorized official of the District of Sechelt on property in the administration of this bylaw.
- 6.7 No person shall repair a *building* or *structure* damaged to an extent greater than 75% of its value above its foundations as determined by the **Building Official**, unless in every respect the entire *building* or *structure* is made to comply with the *Building Code* subject to the requirements of this or other applicable bylaws.
- 6.8 No person shall construct a concrete pad or foundation on which equipment, to be used for an industrial or commercial use, is to be mounted without first applying for and obtaining a building permit.
- 6.9 No person shall move a *manufactured home* unless a **Building Official** has issued a permit or authorized for the work as outlined in this Bylaw.

- 6.10 No person shall change the Class of Occupancy of an existing *building* unless a **Building Official** has issued a permit or authorization for the change as outlined in the Bylaw.

7. **BUILDING OFFICIALS**

- 7.1 Each *building official* may:
- 7.1.1 administer this bylaw;
 - 7.1.2 keep records of permit applications, permits, notices and orders issued, inspections and tests made, and shall retain copies of all documents related to the administration of this bylaw or microfilm copies of such documents for a period of thirty (30) years.
 - 7.1.3 establish, if requested to do so, whether the methods or types of construction and types of materials used in the construction of a *building* or *structure* for which a permit is sought under this bylaw substantially conform to the requirements of the **Building Code**.
 - 7.1.4 request any information not already provided for in the bylaw that may, in the opinion of the **Building Official** be applicable or necessary to accompany the information for a specific site, including a geotechnical report.
- 7.2 A *building official*:
- 7.2.1 may enter any land, *building*, *structure*, or premises at any reasonable time for the purpose of ascertaining that the terms of this bylaw are being observed;
 - 7.2.2 where any residence is occupied, shall obtain the consent of the occupant or provide written notice to the occupant 24 hours in advance of entry; and
 - 7.2.3 shall carry proper credentials confirming his or her status as a **Building Official**.
- 7.3 A **Building Official** may:
- 7.3.1 order the correction of any work that is being or has been done in contravention of this bylaw;
 - 7.3.2 order the immediate suspension of all work, or any portion of construction that is proceeding in contravention of this or any other

bylaw of the District by posting a “stop work” order on the offending property;

- 7.3.3 direct that tests be conducted of materials, devices, construction methods, structural assemblies or foundation conditions, in accordance with standard test methods of recognized National testing authorities, or, direct that sufficient evidence or proof be submitted, at the expense of the owner, where such evidence or proof, is in the opinion of the Building Inspector, necessary to determine whether the material, device, construction, or foundation condition meets the requirements of this Bylaw;
- 7.3.4 revoke or refuse to issue a permit where in his opinion the results of tests referred to in 7.3.3 are not satisfactory;
- 7.3.5 when not satisfied with any work in connection with the construction of a building, place upon the building a notice to the effect that the building shall not be occupied until the work has been completed in accordance with this Bylaw, and to the satisfaction of the Building Official.

8. APPLICATIONS

- 8.1 Every person shall apply for and obtain:
 - 8.1.1 a building permit before constructing, repairing or altering, moving or demolishing a **building** or **structure**;
 - 8.1.2 a building permit prior to a change in class of occupancy of a building or part thereof;
 - 8.1.3 a fireplace and chimney permit prior to the construction of a masonry fireplace or the installation of a wood burning appliance or chimney unless the works are encompassed by a valid building permit.
- 8.2 All applications for building permits covered under this bylaw for a fireplace and chimney, shall be made in the form prescribed by the **Building Official**, signed by the **owner or agent** or a signing officer if the owner or agent is a corporation.

- 10.1.8 include copies of approvals required under any enactment relating to health or safety, including, without limitation, sewage disposal permits, highway access permits and Ministry of Health approval;
- 10.1.9 include a sealed foundation design plan prepared by a **registered professional** in accordance with section 4.2 of Part 4 of the **Building Code**, accompanied by letters of assurance in the form of Schedules B-1 and B-2 as referred to in section 2.6 of Part 2 of the **Building Code**, signed by the **registered professional**;
- 10.2 The requirements of section 10.1.9 may be waived by a **building official** in circumstances where the **building official** has required a professional engineer's report pursuant to Part 21 of the *Local Government Act* and the building permit is issued in accordance with sections 699 (5) and (6) of the *Local Government Act*.
- 10.3 The requirements of section 10.1.9 may be waived by a **building official** if documentation, prepared and sealed by a **registered professional**, is provided assuring that the foundation design substantially complies with section 9.4.4 of Part 9 the **Building Code** and the foundation excavation substantially complies with section 9.12 of Part 9 of the **Building Code**.
- 10.4 In addition to the requirements of section 10.1, the following may be required by a **building official** to be submitted with a building permit application for the construction of a **standard building** where the project involves two or more **buildings**, which in the aggregate total more than 1000 square meters, or two or more buildings that will contain four or more dwelling units, or otherwise where the complexity of the proposed **building** or **structure** or siting circumstances warrant:
 - 10.4.1 site servicing drawings, including sufficient detail of off-site services to indicate locations at the property line, prepared and sealed by a **registered professional**, in accordance with the District of Sechelt's Subdivision Servicing Bylaw.

- 10.4.2 a section through the site showing grades, *buildings*, *structures*, parking areas and driveways;
- 10.4.3 a roof plan and roof height calculations;
- 10.4.4 structural, electrical, mechanical or fire suppression drawings prepared and sealed by a *registered professional*;
- 10.4.5 letters of assurance in the form of Schedules B-1 and B-2 as referred to in section 2.6 of Part 2 of the *Building Code*, signed by the *registered professional*;
- 10.4.6 any other information required by the *building official* or the *Building Code* to establish substantial compliance with this bylaw, the *Building Code* and other bylaws and enactments relating to the *building* or *structure*.

11. PROFESSIONAL PLAN CERTIFICATION

- 11.1 The letters of assurance in the form of Schedules B-1 and B-2 referred in section 2.6 of Part 2 of the *Building Code* and provided pursuant to sections 9.1.7, 10.1.9, 10.4.5, and 15.1 of this bylaw are relied upon by the District of Sechelt and its *building officials* as certification that the design and plans to which the letters of assurance relate comply with the *Building Code* and other applicable enactments relating to safety.
- 11.2 A building permit issued for the construction of a complex building, or for a standard building for which a *building official* required professional design pursuant to section 10.4.4 and letters of assurance pursuant to section 10.4.5 of this bylaw shall be in the form prescribed by the *Building Official*.
- 11.3 A building permit issued in reliance upon letters of assurance referred to in section 11.1 of this bylaw shall include a notice to the *owner or agent* that the building permit is issued in reliance upon the certification of the *registered professionals* that the design and plans submitted in support of the application for the building permit comply with the *Building Code* and other applicable enactments relating to safety.

12. FEES AND CHARGES

- 12.1 In addition to applicable fees and charges required under other bylaws, a permit fee, calculated in accordance with Schedule “A” to this bylaw, shall be paid in full prior issuance of any permit under this bylaw.

- 12.2 When a building permit is issued in accordance with Part 11 of this bylaw the permit fee shall be reduced by 10% of the fees payable pursuant to Schedule "A" to this bylaw, up to a maximum reduction of \$2000.00 (two thousand dollars).
- 12.3 An application made for a building permit shall be accompanied by the appropriate application processing fee as set out in Schedule "A" to this bylaw.
- 12.3.1 The application processing fee is non-refundable and shall be credited against the building permit fee when the permit is issued.
- 12.3.2 An application shall be cancelled and the application fee forfeited if the building permit has not been issued and the permit fee paid within 90 days of the date of written notification to the owner or agent that the permit is ready to be issued.
- 12.3.3 When an application is cancelled the plans and related documents submitted with the application may be destroyed.
- 12.4 The owner or agent may obtain a refund of the permit fees set out in Schedule "A" to this bylaw when a permit is surrendered and cancelled before any construction begins, provided:
- 12.4.1 The refund amount shall be 50% of the total building permit fee as set out in Schedule "A" attached to this bylaw less the non-refundable application processing fee paid pursuant to section 12.3.1 of this bylaw; and
- 12.4.2 No refund shall be made where construction has begun or an inspection has been made.
- 12.4.3 An *owner or agent* must submit a written request for a building permit fee refund and the *Building Official* must confirm that no construction has started prior to any refund.
- 12.5 Where, due to non-compliance with this bylaw, more than two inspections are necessary when one inspection is normally required, for each inspection after the second inspection, a re-inspection charge as set out in Schedule "A" to this bylaw shall be paid prior to additional inspections being performed.
- 12.6 For a required permit inspection requested to be done after the hours during which the offices of District of Sechelt are normally open, an inspection charge shall be payable by the owner, based on actual staff

costs incurred by the District of Sechelt in making such inspection, including travel time, as set out in Schedule “A” to this bylaw.

- 12.7 An inspection charge, as set out in Schedule “A” to this bylaw, shall be payable in advance for a voluntary inspection to establish compliance of or to obtain a report on the status of an existing **building** or **structure** for which a permit is sought under this bylaw.

13. **BUILDING PERMITS**

13.1 When:

13.1.1 a completed application including all required supporting documentation has been submitted;

13.1.2 the proposed work set out in the application substantially conforms with the **Building Code**, this bylaw and all other applicable bylaws and enactments;

13.1.3 the **owner** or his or her **agent** has paid all applicable fees set out in section 12 of this bylaw;

13.1.4 the **owner** or his or her **agent** has paid all charges and met all requirements imposed by any other enactment or bylaw;

13.1.5 no enactment, covenant, agreement, or regulation in favour or, or regulation of, the District of Sechelt authorizes the permit to be withheld;

13.1.6 the **owner or agent** has retained a professional engineer or geoscientist if required by the provisions of the *Engineers and Geoscientists Act*;

13.1.7 the **owner or agent** has retained an architect if required by the provisions of the *Architects Act*;

a **building official** shall issue the permit for which the application is made.

- 13.2 When the application is in respect of a **building** that includes, or will include, a **residential occupancy**, the building permit must not be issued unless the **owner or agent** provides evidence pursuant to section 30 (1) of the *Homeowner or agent Protection Act* that the proposed **building**:

13.2.1 is covered by home warranty insurance, and

13.2.2 the constructor is a licensed residential builder.

- 13.3 Section 13.2 of this bylaw does not apply if the **owner or agent** is not required to be licensed and to obtain home warranty insurance in accordance with sections 20 (1) or 30 (1) of the *Homeowner or agent Protection Act*.
- 13.4 Every permit is issued upon the condition that the permit shall expire and the rights of the **owner or agent** under the permit shall terminate if:
- 13.4.1 the work authorized by the permit is not commenced within 6 months from the date of issuance of the permit; or
- 13.4.2 work is discontinued for a period of 12 months.
- 13.5 A **building official** may extend the period of time set out under sections 13.4.1 and 13.4.2 where construction has not been commenced or where construction has been discontinued due to adverse weather, strikes, material or labour shortages, or similar hardship beyond the **owner or agent's** control.
- 13.6 A **building official** may issue an excavation permit in the form prescribed by the **Building Official** prior to the issue of a building permit.
- 13.7 Despite section 13.5, every building permit shall expire such that it is not valid and of no force and effect at the end of 24 months from the date of issue.
- 13.8 A temporary building permit shall expire at the end of 12 months from the date of issuance.
- 13.9 Subject to Section 13.9, where a building permit has expired and the **building** or **structure** has not received final inspection approval, a new building permit must be obtained prior to completing the construction for a maximum period of twelve (12) months. The owner or agent shall first pay to the District of Sechelt the appropriate fee set out in Schedule "A" attached to this Bylaw, based on the **value of building construction** left to complete.
- 13.10 A building permit may:
- 13.10.1 Be extended for a period of twelve (12) months from the date of expiry of permit expiration if:
- 13.10.1.1 Application for the extension is made within 30 days after the date of permit expiration; and

13.10.1.2 A non-refundable fee set out in Schedule “A” attached to this bylaw has been paid,

Except that:

13.10.2 A temporary permit may be extended for a period of twelve (12) months

13.10.3 A building permit to move a *building or structure* shall not be extended

13.10.4 A permit to demolish a *building or structure* shall not be extended.

13.11 Building permits may only be extended a maximum of 2 times.

13.12 Where only one dwelling unit is permitted on a lot, the owner or agent may obtain a building permit to construct a second dwelling unit on the lot subject to the following conditions prior to permit issuance:

13.12.1 A refundable security deposit in accordance with Schedule “A” must be deposited with the District of Sechelt

13.12.2 A replacement dwelling covenant must be registered in the Land titles Office, stating the owner or agent's intention to demolish the first dwelling unit, or to convert it to a permitted use within 60 days of occupancy or permitting occupancy of the second dwelling unit

13.12.3 The refundable security deposit will be forfeited if any of the conditions of the covenant are defaulted upon

13.12.4 A building permit is required prior to starting construction on demolishing or converting the original existing dwelling unit to a use permitted by the District of Sechelt Zoning Bylaw.

13.13 A *building official* may issue a building permit for a portion of a *building* before the design, plans and specifications for the entire *building* have been accepted, provided sufficient information has been provided to the District of Sechelt that demonstrates to the *building official* that the portion authorized to be constructed substantially complies with this and other applicable bylaws and the permit fee applicable to that portion of the *Building* has been paid. The issuance of the permit notwithstanding, the requirements of this bylaw apply to the remainder of the *Building* as if the permit for the portion of the *Building* had not been issued.

- 13.14 A building permit shall be in form prescribed by the ***Building Official***.
- 13.15 When a site has been excavated under an excavation permit issued pursuant to section 13.6 of this bylaw and a building permit is not subsequently issued or a subsisting building permit has expired in accordance with the requirements of section 13.4, but without the construction of the ***Building*** for which the building permit was issued having commenced, the ***owner or agent*** shall fill in the excavation to restore the original gradients of the site within 60 days of being served notice by the District of Sechelt to do so.

14 DISCLAIMER OF WARRANTY OR REPRESENTATION

- 14.1 Neither the issuance of a permit under this bylaw, the review and acceptance of the design, drawings, plans or specifications, nor inspections made by a ***building official***, shall constitute a representation or warranty that the ***Building Code*** or the bylaw have been complied with or the ***Building*** meets any standard of materials or workmanship, and no person shall rely on any of those acts as establishing compliance with the ***Building Code*** or this bylaw or any standard of construction.

15 PROFESSIONAL DESIGN AND FIELD REVIEW

- 15.1 When a ***building official*** considers that the site conditions, size or complexity of a development or an aspect of a development warrant, he or she may require a ***registered professional*** to provide design and plan certification and ***field review*** by means of letters of assurance in the form of Schedules B-1, B-2 and C-B referred to in section 2.6 of Part 2 of the ***Building Code***.
- 15.2 Prior to the issuance of an occupancy permit for a ***complex building***, or ***standard building*** in circumstances where letters of assurance have been required in accordance with provisions of this bylaw, the ***owner or agent*** shall provide the District of Sechelt with letters of assurance in the form of Schedules C-A or C-B, as is appropriate, referred to in section 2.6 of Part 2 of the ***Building Code***.
- 15.3 When a ***registered professional*** provides letters of assurance in accordance with any provisions of this bylaw, he or she shall also provide proof of professional liability insurance to the ***building official*** in the form prescribed by the ***building official***.
- 15.4 Despite the other provisions of this bylaw, the ***owner or agent*** must provide professional design and a field review in respect of a building for:

- 15.4.1 Geotechnical components of all new standard buildings, except auxiliary buildings of not more than one storey in building height and not more than 55 m² in building area, and additions to standard buildings greater than 55 m²;
- 15.4.2 The Building envelope components of all buildings under Part 3 of the **Building Code**, all residential buildings than contain more than two dwelling units, and all other buildings whose building envelopes do not comply with the prescriptive requirements of Part 9 of the **Building Code**;
- 15.4.3 A **Building** on a parcel the **Building Official** believes is subject to or is likely to be subject to flooding, mud flows, debris flows, debris torrents, erosion, land slip, rock falls, subsidence or avalanche, and the requirement for professional design and a field review is in addition to a requirement under Part 21 of the Local Government Act for a report certified by a professional engineer with experience in geotechnical engineering that the parcel may be used safely for the use intended and that the plans submitted with the application comply with the relevant provisions of the **Building Code** and applicable bylaws of the District of Sechelt.

16 RESPONSIBILITIES OF THE OWNER OR AGENT

- 16.1 The **owner or agent** shall ensure that all construction complies with the **Building Code**, this bylaw and other applicable enactments respecting safety.
- 16.2 Every **owner or agent** to whom a permit is issued shall be responsible for the cost of repair of any damage to municipal works that occurs in the course of the work authorized by the permit.
- 16.3 Every **owner or agent** to whom a permit is issued shall, during construction:
- 16.3.1 post and maintain the permit in a conspicuous place on the property in respect of which the permit was issued;
- 16.3.2 keep a copy of the accepted designs, plans and specifications on the property; and
- 16.3.3 post the civic address on the property in a location visible from any adjoining streets.
- 16.4 The owner or agent bears full responsibility for ensuring that buildings and structures are located in conformance with the Zoning Bylaw, or any

other bylaw, enactment or encumbrances, such as but not limited to rights-of-way and easements.

17 TEMPORARY BUILDINGS

Issuance of Permit

17.1 Subject to the bylaws of the District of Sechelt and order by the Council, the **Building Official** may issue a temporary building permit for the erection or placement of a temporary **Building** or travel trailer if:

17.1.1 The permit is for a period not exceeding 12 months;

17.1.2 The **Building** is built to the requirements of the **Building Code** (where applicable);

17.1.3 The **Building** is sited and the use is in accordance with the Zoning Bylaw.

Permit Application

17.2 The application for a building permit for the erection or placement of a temporary **Building** shall be made in the form prescribed by the Building Official, signed by the Owner or agent or a signing officer if the owner or agent is a corporation and accompanied by:

17.2.1 Plans and supporting documents showing the location of the **Building** on the site;

17.2.2 Plans and supporting documents showing construction details of the **Building**;

17.2.3 A statement by the Owner or agent indicating the intended use and duration of the use.

Extension of Permit

17.3 The temporary building permit may be extended one time only for a period of not greater than 1 year from the date of expiry of the original building permit provided:

17.3.1 application for the extension is made within 30 days before the date of permit expiration; and

17.3.2 A non-refundable fee set out in Schedule “A” attached to this bylaw has been paid.

Permit Fee

- 17.4 a) Before receiving a building permit for a temporary **Building** the Owner or agent shall first pay to the District of Sechelt the appropriate building permit fee set out in Schedule “A” attached to this bylaw;
- b) A permit fee for a temporary **Building** is not refundable.

Security Deposit

- 17.5 The permit fee for a temporary building permit shall be accompanied by a security deposit in the amount set out in Schedule “A” attached to this bylaw to:
- 17.5.1 ensure that the building to be erected for a temporary period will be completely removed from the site at the expiration of the permit; and
- 17.5.2 ensure that the site be left in a safe, sanitary and undamaged condition at the expiration of the permit.

Security Deposit Refund

- 17.6 Upon satisfactory completion of the requirements contained in section 17.5 above, the required security deposit shall be refunded. The security deposit will be applied first to any permit extension fees owing.

Default

- 17.7 If default is made of any of the provisions contained in Part 17 of this bylaw, the security deposit shall be forfeited to the District of Sechelt.

18 SWIMMING POOLS AND HOT TUBS

Engineering Requirement

- 18.1 A registered professional shall undertake the design and conduct field reviews of the construction of any reinforced concrete Swimming Pool. Letters of assurance in the form of Schedules B-1, B-2 and C-B referred to in Section 2.6 of Part 2 of the **Building Code** must be submitted.

Fence and Self Closing Gate

- 18.2 Every private swimming pool shall be enclosed within a secure and sturdy fence or other vertical barrier not less than 3 feet 6 inches (± 1067 mm) in height which shall enclose the pool itself or the entire premises on which the pool is situated. The fence or barrier shall be continuous except for points of access, which shall be equipped with a self-closing gate or door, so designed as to cause the gate or door to return to

- a locked position when not in use, and secured by a spring lock located not more than 3 feet (± 914 mm) above grade, which can only be opened from the swimming pool side of the fence. Openings through the fence shall be of a size as to prevent the passage of a spherical object having a diameter of 4 inches (± 102 mm). Fences shall be designed so that no member, attachment or opening located between 4 inches (102 mm) and 3 feet (± 914 mm) above the finished grade will facilitate climbing.
- 18.3 Every hot tub shall be enclosed in a building or surrounded by a fence and gate, as provided in subsection (1), or covered with a rigid, locked, lid.
- 18.4 Every fence enclosing every private swimming pool or hot tub shall be adequately maintained in good order and repair by the owner or occupier of the real property, so as to perform its intended function.
- 18.5 Every gate which provides access to a private swimming pool or hot tub shall be kept in a locked closed position and shall be self-closing and only be open for the purpose of entry to or exit from the pool.

Pool Apron

- 18.6 Access shall be provided around the perimeter of all swimming pools, including those within a building, by means of an apron or walkway not less than 30 inches (± 762 mm) in width and not more than 18 inches (± 457 mm.) above the water level of the swimming pool. The walkway (apron) shall have no obstructions and be readily accessible to those using the swimming pool.
- 18.7 The above requirements shall not apply when the pool is under construction unless the Building Inspector deems it necessary.
- 18.8 No swimming pool or hot tub shall be partially or completely filled with water until the requirements of this Section have been inspected and accepted by the Building Inspector.

19 SPRINKLERS

- 19.1 Throughout the District, a Sprinkler System shall be installed throughout the following buildings:
- 19.1.1 all new Designated Buildings
- 19.1.2 all buildings which are converted into Designated Buildings but only where the conversion involves an addition to the building and results in a net floor increase of 50% or more of the net floor area as it existed on January 1, 1994

- 19.1.3 existing or converted buildings where additions to the building result in a net floor increase of more than 50% of the previous net floor area of the Designated Buildings
- 19.1.4 all existing Designated Buildings which are added to incrementally when such additions result in a net increase of 50% or more of the existing net floor area over the size of the existing building as it was on January 1, 1994 at the time of the first addition.
- 19.1.5 despite Section 20(2), a Sprinkler System is not required under this bylaw in a building constructed within those utility corridor rights-of-way created by B.C. Hydro, Centra Gas Ltd. and the Ministry of Transportation and Highways within that area of the District of Sechelt as shown outlined in heavy black line on the plan attached to and forming part of this bylaw as Schedule “C”.
